

WHAT'S GOING ON?

A series of public events with well-informed speakers on issues that are affecting us now and will determine how we live in the future.

MONDAY 30TH SEPTEMBER 6.00 for 6.30pm

BYRON BAY SERVICES CLUB

132 JOHNSON ST, BYRON BAY

KATE MASON RETURNS

to speak on two important topics. You do not want to miss this event!

TOPIC 1 – THE FUTURE OF FOOD

Regulators are preparing for the synthetic transformation of our food to become the “new normal” with “food” made in labs, patented and centrally controlled. Kate explores what is really going on, the latest Australian advancements, and what all this means for us.

TOPIC 2- THE GOVERNMENT'S PLANS FOR 'WELLBEING'

Who knows best about your child's “wellbeing”? According to the government they do. Treasurer Chalmers is fast advancing a wellbeing budget, which includes extensive data surveillance and systems for private interests to make profit. Their first market is focused on children. Kate explores the language, the ideas, and the repercussions for children and families

About Kate Mason

Kate Mason has an Hons Degree in Social Ecology. She worked in welfare and community development for over two decades. Kate is an independent researcher focusing on government, corporate and global policy bodies plans, to understand the systems the Australian government is building and their repercussions.
